

Printing

Printing ISIRs

Printing the ISIR

Effective in 2002-2003 you are no longer required to print your Institutional Student Information Record (ISIR) output document exactly as the ED provided software, EDEExpress, prints it. You can also choose to print additional information on the ISIR. Included in this section is the ISIR Fields Not Printed on the ISIR table. It contains all the ISIR fields that EDEExpress does not print on the ISIR. There is an example of an ISIR printed from EDEExpress for your reference.

The following information assists the school or state agency in printing the data on a received ISIR:

- Printing Assumed Values
- Printing Intermediate EFC Values
- Printing Correction Flags
- Printing Highlight Flags
- Rejected ISIRs
- Comments
- Field Types
- Other Field Notes

Printing Assumed Values

“Assumed Values” reflect suppositions the Central Processing System (CPS) has made in determining the applicant’s Expected Family Contribution (EFC). CPS makes assumptions when the applicant does not report certain information that is necessary for the EFC calculation or when the applicant reports inconsistent information. (Some unreported information will result in a rejected transaction rather than assumptions.) CPS uses the assumed value when calculating the EFC.

For certain fields, the only assumption CPS ever makes is zero so these assumption fields on the ISIR will contain zeros (for example, ISIR field 240, Assumed Student’s U.S. Tax Paid). On the ISIR, EDEExpress will print an asterisk (*) to the left of the field title to indicate that the CPS made an assumption and the assumed value must print in place of the reported value.

If a field is both assumed and highlighted, EDEExpress would print an asterisk (*) to the left of the field title. Positions ~~1370-1458~~ **1371-1459** of the ISIR all contain CPS assumption fields.

Printing Intermediate EFC Values

An intermediate EFC value is a value that is used during the EFC calculation process. EDEExpress will print either the primary or secondary values, not both. The value in the Federal Pell Grant Paid EFC Type determines which set of values are printed.

Printing Correction Flags

Correction Flags on the ISIR (positions ~~692-811~~ **693-812** on the ISIR layout) indicate changes to FAFSA data processed by the CPS. Refer to the Field Name and Position Cross References table in section 4.

If a field was corrected on the current transaction, the correction flag will contain a value of 1. If a field was corrected on a previous transaction, the correction flag will contain a value of 2. All other correction flag fields will have a value of zero.

EDEExpress will print on the ISIR a pound sign (#) to the right of the field variable that was corrected on the most current transaction, and print an at sign (@) to the right of the field variable that was corrected on a previous transaction.

Correction flags are cumulative (i.e., the flag will be carried on all subsequent transactions).

EDEExpress does not actually print the data in this field, rather it uses this data to determine which fields will have a # or @ printed to the right of the field variable to show that the field has been corrected from the original application.

Printing Highlight Flags

Highlight Flags on the ISIR (positions ~~812-931~~ **813-932** on the ISIR layout) indicate data highlighted in bold face on the Student Aid Report (SAR), based on FAFSA data processed by the CPS. Refer to the Field Name and Position Cross References table in section 4. These fields are highlighted and provide a comparison reference between the SAR question number and ISIR field positions.

Any field containing a highlight flag will have a value of 1. All other highlight flag fields have a value of zero.

On the ISIR, EDEExpress will print the letter 'h' to the left of the field title that was highlighted. If the field is both highlighted and assumed, an asterisk (*) will print to the left of the field title.

EDEExpress does not actually print the data in this field, rather it uses this data to determine which fields will have an h printed to the left of the field title to show that the field was highlighted.

Rejected ISIRs

Applications and corrections submitted to CPS, regardless of the input type or source, can be rejected for incomplete, illogical, or inconsistent data.

An EFC will not be computed for a rejected application transaction. Transactions can be rejected for multiple reasons. Up to seven two-digit reject reason codes are carried on the ISIR.

The reject reason codes and resolution in response to each reject reason are described in the Table of Reject Codes and How to Respond to Each, in section 4, Processing Codes.

Comments

Up to 20 three-digit numbers can appear on the ISIR record, indicating which comments would appear on Part One of a SAR from any paper application processor. Some comments contain critical information regarding the student's status. The comment text that prints on the ISIRs can be found in the *2002-2003 SAR/ISIR Comment Codes and Text* document found on ***the U.S. Department of Education's Student Financial Assistance Download (SFAdownload) Web site located at SFAdownload.ed.gov and ifap.ed.gov.*** ~~Additional Comment information is found in the ISIR Comment Codes Cross Reference table, in section 4, Processing Codes.~~

Field Types

Fields can contain one of three types of data: character, numeric (N), or signed numeric (S/N). All 9s in a field indicate that the reported or calculated value is greater than or equal to the value of all 9s. Blanks are allowable in some S/N and N fields.

With signed numeric fields, the sign is always implied in the right most character of the field. For example, if the Student's Adjusted Gross Income field contains a value of negative 3507, it would appear as 00350P. The following chart explains the conversion of the sign and the number:

Signed Numeric Fields:

{	+0	E	+5	}	-0	N	-5
A	+1	F	+6	J	-1	0	-6
B	+2	G	+7	K	-2	P	-7
C	+3	H	+8	L	-3	Q	-8
D	+4	I	+9	M	-4	R	-9

Note: All signed fields will have an extra byte printed.

Other Field Notes

EDEExpress does not print the Subsequent Application Flag on the ISIR. If this field has a value of Y, Subsequent application from student, then an * is printed next to the EFC.

EDEExpress does not print the value in the Electronic Federal School Code Indicator field, instead it prints the Federal School Code number associated with the value. For example, if the Electronic Federal School Code Indicator equals 3, EDEExpress will print the value for the Federal School Code #3 field.

JANUARY 28, 2002

EFC 2068 C

006

If you need additional help with your ISIR, contact your school Financial Aid Administrator (FAA) or the Federal Student Aid Information Center at 1-800-4FED-AID (1-800-433-3243). If your address changes, contact your school or call 1-800-4FED-AID to make the correction on your record.

149

Based on the information we have on record for you, your EFC is 2068. Your school will use this number to determine what types of aid and how much you are eligible for. You may be eligible to receive a Federal Pell Grant and other federal student aid.

161

We could not match your information with the Department of Veterans Affairs (VA) because you did not give us your full name, date of birth and/or signature. You should review and correct these items on your ISIR

143

Your citizenship status has been confirmed by the Immigration and Naturalization Service (INS) and you meet the citizenship requirements for federal student aid.

READ, SIGN, AND DATE

If you are the student, by signing this application you certify that you (1) will use federal and/or state student financial aid only to pay the cost of attending an institution of higher education, (2) are not in default on a federal student loan or have made satisfactory arrangements to repay it, (3) do not owe money back on a federal student grant or have made satisfactory arrangements to repay it, and (4) will notify your school if you default on a federal student loan.

If you are the parent or the student, by signing this application you agree, if asked, to provide information that will verify the accuracy of your completed form. This information may include your U.S. or state income tax forms. Also, you certify that you understand that the Secretary of Education has the authority to verify information reported on this application with the Internal Revenue Service and other Federal agencies. If you purposely give false or misleading information, you may be fined \$20,000, sent to prison, or both.

Everyone whose information is given on this form should sign below. The student (and at least one parent, if parent information is given) MUST sign below.

Student _____ Date: _____

Parent _____ Date: _____
